Dear Incoming CHS Freshman and Families,

Please be sure to attend the Parent/Student virtual info night and the in-person open house to obtain important information about CHS and the online registration process. We know the transition into high school is exciting but also can also bring a degree of uncertainty. We hope to foster a welcoming atmosphere and a positive transition into the best high school around! Here are some very important dates you should note:

Wednesday, February 28th @ 6:00pm: 8th Grade Parent AND Student Virtual Night:

We will discuss the offered courses, high school graduation requirements, the registration process and how to find success in high school. The event will be a virtual webinar and will be recorded if you cannot attend. You will be able to view the slides and presentation on the [CHS Counseling website](#)

To help us prepare the most productive session possible, we have linked a Google Form for you to be able to submit your questions so that we can tailor our discussion to the needs of the community. Please submit your questions [HERE](#) by Monday, February 26th.
